

Santa Fe Braves, Starlettes, & Rising Stars

5525 Ave O, Santa Fe Texas 77510

TEXAS INTERCITY FOOTBALL INC. (TIFI)

Dear Santa Fe Community Supporter,

The Santa Fe Braves organization has been alive in our community since 1968. Throughout the years, we have been able to positively influence our youth through sportsmanship, hard work, teamwork, and experiences of victory and defeat; all of which build character in our children. The value of commitment and community spirit is developed as a focal point for our organization.

The Braves, Starlettes, & Rising Stars organization is a non-profit that solely relies on kindness and commitment from the community and its participants. We strive to keep our registration fees affordable which would not be possible without donations and fund raising within our community.

Your tax deductible donation will be used toward many of our operation expenses such as :

- Field maintenance
- Braves, Starlettes, & Rising Stars equipment/uniforms
- League Insurance
- Registration Scholarships
- Officiating fees

The Braves, Starlettes, & Rising Stars would not be such a successful program without the support of our community members, volunteers, and the Braves, Starlettes, & Rising Stars families. We cannot thank you enough for your donation to our program.

Sincerely,

Your Braves, Starlettes, & Rising Stars Participants

If you would like to donate please complete the attached Donation Commitment Form and contact _____ . We would like to personally pick up the donation commitment form and answer any questions for you.
